

Dearest Family & Friends!

Another year is almost done and it certainly doesn't seem possible! We are so thankful for God's faithfulness through 2014. We have had many opportunities to minister in His name, seeing Him move and change lives, especially ours.

Our family has seen God's faithfulness also this year. Beth, Cory, Ian, Lauryn and Alex, our next door neighbors, are so fun. We installed a wireless doorbell so that we could hear when someone comes to the door. It seems like it is always ringing, thanks to Ian and Beth!! They have to ring it at least 2 times as they come **and** go! We take Ian swimming with us. It is hard for this grandma to really get her work out done because he is too much fun! Lauryn is still in dance class and is always trying to teach anyone and everyone! Alex is almost walking! He is such a happy little guy!

Danielle, Shaun and Nick are expecting a little girl in May! I can't wait! Another girl just about evens things out. Nick wasn't sure about a little sister until his mommy said that when his sister gets married (what?!) that her husband will be Nick's brother! He was so excited!! The things he says just keep us in stitches! He has moved up to Blue Puppies at his preschool and I am sure he keeps his teachers hopping. He is way too smart!

Jamin and Soojin have enjoyed taking some trips this year. They seem to have the travel bug. Most recently, they traveled to Michigan for Thanksgiving with Soojin's family and they all visited Chicago. After Jamin and Soojin came home, they took a trip to Williamsburg, VA and the next trip is to Washington, D.C. They are also doing some yard work on their new house, putting in a retaining wall among other things. They are enjoying their work with their church. Jamin became an elder in August. They have a wonderful church family.

Richar, my mom and I are doing well. Of course, we are all getting older and that means more aches and pains, but God takes care of us in every way.

Well, that is the news of the family. Now onto ministry news. Richard was able to visit Kenya and England this year. Pam Nelson and Kathy Henry were able to go to Kenya with him. They all got to play with the children at the new orphanage. The children are happy and healthy, but we would ask that you pray about helping us help them. We are still sending \$200 a month for food but the funds are down. We were not able to send extra for a special Christmas meal this year, but if you would like to help, maybe we can provide them with a special New Year meal. Bother Ibrahim was in the hospital and could use your continued prayer for health issues.

Richard's trip to England to visit with Pastor Peter Israel was one of those perfect God-timing things. Richard was able to visit in the homes more of the congregation on this trip. He was also given a walking tour of Chester by Eileen who happened to be in her mid-seventies and definitely out-walked Richard on their 3 mile tour!! Richard was blessed as always, to spend time with Peter and the church family.

We want to thank all of you that have prayed for us and with us through this year. Thank you for your financial support as well. Maybe some of you would like to know how to help us. We always covet prayers for our family and this ministry. And if you would like to financially support us monthly or with a yearly amount, please contact us through our email: **pump005@yahoo.com** or by phone: **336-755-1731**. Also, check out our web site: **pumpministries.org**

In **James 4:13-15**, James talks about the many plans that we make, but then he challenges us to surrender those plans to God, to follow God's plans for today, next month or even this next year. We here, at PUMP Ministries, truly desire to trust God's plan, but it isn't always easy. In fact, it can be down right scary sometimes when decisions have to be made that not only affect us, but our family and those that we have made commitments to help with ministry.

What about you? Do you already have plans made for tomorrow? Will you pray and ask God what His plans are for you tomorrow? I challenge you to ask God to bring His plan to light by asking Him to send ministry your way tomorrow...send someone across your path that just needs a little of your time. Will you let God turn your plans upside down tomorrow? Remember, God wants us to **live** our lives in such a way that will draw people to Him.

We wish you all a very **Merry Christmas** and a **Christ-centered New Year!**

In His care,

Richard and Tammy Weagraff
